VIRTUAL INTERVIEW
(Online Through Video Conferencing)

Interested candidates are invited to attend the online (considering the existing limitations and movement restrictions due to COVID- 19) interviews for the following positions. The positions are available under the Department of Biotechnology (DBT), Govt. of India funded research project "Development of diagnostic kits for quick detection of CTV, HLB and Phytophthora rot diseases in Citrus of North East India". The interviews will be held on 08 May 2021 from 11:00 AM onwards in virtual mode through video conferencing (Zoom/ Skype). Individual candidates' time slot along with ID and password will be communicated prior to interview.

Candidates applying for the positions should submit an online application (refer Annexure - I) **on or before 04-05-2021, 11:00 PM by clicking here: lalitkharbikarat@gmail.com**. Candidates are required to sign in into their Gmail account and give full details of academic records, experience, publications, etc. in the online application form. Soft copies of all the relevant/ supporting original documents (**as single PDF file**) along with the signature and one recent photograph must also be uploaded. All the original documents will be verified at the time of joining, if selected. For any clarifications, candidates may contact Lalit Laxman Kharbikar, Principal Investigator of the project through email: lalit.kharbikar@icar.gov.in (Contact No. +91 8889 457613). Only shortlisted candidates will be informed via email about details of the online interview.
